

### **Longoria's Letters,**

**Students from John Long Middle School are helping with the Local Hometown Heroes Project Family Edition Home Make over Project. A group of students are selling Longoria's Letters. You are able to write a note to the family for \$2.00 that will be added to a ribbon of letters. When the family moves back home they will be there for the family to read. The family can see how many community members and friends are parts of this project. Allison, an 8th grade student at JLMS started this project, her goal is to raise money to buy some fun things for their classmate's bedrooms. If you are interested in purchasing a "Longoria's Letter" please contact the librarian at JLMS or call Amy at 242-3663.**

**Photo is a group of 8th grade students who have purchased their note card and wrote their letters to the family.**

**\*\* Also contact the school for the FUNdraisers they are doing, the penny war ... and much more great things to get the community involved in.**
